ATI and the official  
funding framework in  
Iceland

# Official funding structures in Iceland

# Professional Performance Art Group Fund

- Government funded competitive project funding for professionals, deadline once a year
  - Project based funding, to be fulfilled within 1 year
  - Occasional temporary framework agreements for several project, up to 2 years. Only with 50% co-funding from municipalities
  - Success rate of funding 12% compared to requested funds
- 

# Artists' Salary Fund

- Directly linked with Performing Art Fund
- Also project based, also allocates once annually
- Paid directly to the artists
- Performing Arts Companies receive 12% of all Artists' salaries
- Monthly fee, technically 67% of full time job, as well as contractor fee

# Minimum Fee Guidelines

- Tax authorities guidelines for artists more than 40% higher than “artists’ salary”
  - AITI publishes guidelines annually ahead of deadline
  - We use the starting wage of actors at the National Theatre. Around 50% higher than “artists’ salary”
  - These guidelines hold no official status and we have no way of enforcing them
-
